

# 19" Cabinet Accessories

## Description

QED offers a wide range of Midas-Gold accessories for installation into the 19" Server Racks & Data Cabinets. Accessories include mounting rails and support brackets, rack mount drawers, shelving, rack lighting, plinths, buying kits, castors, screws, cable management and more. All accessories have been made with the Midas-Gold racks and wall cabinets in mind, but can be used in conjunction with any other cabinet. Our products are suitable for

application in universities, schools, public bodies, research institutions, system vendors, wholesalers, hotel chains, audio visual, individuals and many other customer groups.

Picture	Product	Dimensions	U Size	Description	Colour / BOM
	Support Rail	600mm 800mm 1000mm	N/A	Standard steel rolled rack rails in three different lengths. They have fixing holes which are set at right angles to the Rack fixing holes. All rails are powder coated.	Black RAL9004 Grey RAL7035
	4 Ring Cable Management Bar	N/A	1U	Four, 60mm Cable management loops welded horizontally on a metal bar for a neat solution to any cable installation. Management bars have smooth edges.	Black RAL9004 Grey RAL7035
	21 Slot Cable Management Bar	N/A	1U	Twenty-one, 50mm cable management slots. Metal 1U plate with plastic inserts to stop cables from snagging and to keep them neat inside the cabinet.	Black RAL9004
	Brush Strip	N/A	1U, 2U	The Nylon Brush Strip Panels are used to allow the passage of cables from the front of a cabinet to the rear whilst maintaining a neat appearance and reducing front to back air flow.	Black RAL9004 Grey RAL7035
	Blank Panels	N/A	1U, 2U, 3U, 4U, 6U, 8U	The steel powder coated blanking panels are designed to cover unsightly gaps and to aid internal airflow if needed.	Black RAL9004 Grey RAL7035
	Perforated Blank Panel	N/A	2U	Rigid steel powder coated rack panels perforated with an array of 4mm holes, a design that gives the greatest open area for airflow.	Black RAL9004 Grey RAL7035
	Cage Nuts	N/A	N/A	Bag of 50 cage nuts, M6x16 mm screw with Philip head, M6 cage nut and plastic washer.	Nickle Plated
	Spare Door Lock	19 x 20mm	N/A	Key removable in locked and unlocked positions. Supplied with 2 keys, hex nut, 36.5mm straight cam and steel clip.	Chrome Plated Bezel, Nickle plated Barrel

Picture	Product	Dimensions	U Size	Description	Colour / BOM
	Cam 20mm Lock for Side Door	20mm	N/A	Key lock for replacing the simple locks to a more secure key lock.	Chrome Plated Bezel, Nickle Plated Barrel
	Adjustable Feet	M8 x 100mm Thread	N/A	Used to keep your server stable when the floor is uneven.	Steel with rubber feet
	Heavy Duty Castors	W 65mm x D 90mm x H 115mm	N/A	This set of four heavy duty castors connect to the base of any 19" rack mount cabinets. This makes moving the cabinets much easier and safer. The castors are bolted to the cabinets using M8 bolts and have a max load combined of 600KG.	Steel Castor & Nylon Wheels.
	Fixed Shelves	Depths From 450 to 750 mm x 416 mm wide x 35mm High	1U	Various size fixed shelves to suit every type of cabinet. These steel powder coated shelves are ideal for holding products that are not rack mountable. Max load is up to 25KG.	Black RAL9004 Grey RAL7035
	Telescopic Shelves	Depths 450, 570 and 720mm	1U	These steel shelves can be fixed from the front or rear. Ideal for pulling out to use as a workstation, on the front or at the back of rack mounted products. When finished push back into place to keep the area looking clean tidy and professional. Shelves have durable moving parts, meaning the shelf will continue to work for years to come. Max load 25KG	Black RAL9004 Grey RAL7035
	Cantilever Shelves	Depths 200, 300, 350 and 400mm	1U, 2U	Steel Shelves with powder coating and air vents to help aid with air flow if needed. These shelves have been made to take extra weight when standard shelves. Max load 45KG. Ideal for wall mount enclosures.	Black RAL9004 Grey RAL7035
	Deep Rackmount Draws and Rackmount Locking Draws	450mm Deep	3U	The Midas-Gold Deep Rack Mount Storage Drawer offers an "in-rack" storage solution for 19in racks and cabinets, that makes it easy to secure server hardware and rack/cabinet accessories. The storage drawer features heavy duty steel construction and a locking front door (lock version), allowing you to secure hardware and accessories as needed. Requiring only 3U of space in any 19in rack/cabinet, the lockable drawer provides a storage solution with a smaller footprint than a full or even mid-size storage cabinet or wire rack - perfect for small server rooms or environments where space is at a minimum (but security is a must).	Black RAL900 Grey RAL7035
