

DK8K-1S/A/BL

8000 SERIES DIGIPHONE KIT

As 8K1 audio kit with the addition of a code lock module Art.8800.

DK8K-1

One button door entry kit comprised of:

1 Outdoor station including a one button speaker module Art.8836M-1, a digital code lock (Art.8800 Code lock module, 2 codes / 2 relays outputs with illumination panel), flush mounting box with module support and hinge Art.8852 plus covering frame Art.8862. Standard finishes: mirror stainless steel for the front plate and aluminium for the module support.

1 Art.3011 3000 Series Smart Line wall mount telephone with "door open" push button and electronic call tone with adjustable volume on 3 levels.

1 Art.321 Power Supply in a type A 3 module DIN box.

Packing: cardboard 30.5x29x7cm total weight 2.1 Kg.

DK8K-2

As DK8K-1 but two button version with 2 call button speaker unit Art.8836M-2 and 2 intercoms.

Packing: cardboard 41x29x7cm total weight 2.8 Kg.

DK8K-1S, DK8K-2S

As kits above but with surface mounting box Art.8882.

Packing: the same as the relevant flush mount version but with total weight 2.6 Kg for one button version and 3.3 Kg for 2 button version.

For flush mounting outdoor station, an option rainshield Art.8872 is available instead of the covering frame.

The module support, the module front plate and the rainshield are available in other finishes, **see picture 2 on page 34** for available versions and additional suffix to use for orders.
