# BT7504

## SMALL / MEDIUM FLAT SCREEN DISPLAY TROLLEY / STAND

Designed to mount small to medium sized screens, the BT7504 is ideal for all professional applications. A simple 'hook-on' installation makes fitting a screen to the trolley quick and easy with the option of mounting the screen in either a landscape or portrait orientation. The trolley is supplied with non-marking braked castors and also includes alternative adjustable levelling feet to create either a mobile or freestanding application.
