 INSTALLATION**

BT7523

FLAT SCREEN WALL MOUNT WITH TILT

Designed to mount medium sized screens, this wall mount is simple to install and features a tilt function that allows easy positioning of the screen. Suitable for screens with VESA patterns up to 200 x 200mm, this neat and tidy mounting solution is ideal for commercial applications as well as home installations. The BT7523 is also collar compatible for alternative mounting solutions. Security screws are provided to help prevent unauthorized removal of the screen.
