

B-TECH AV MOUNTS™

IDEAL FOR LARGE INTERACTIVE DISPLAYS

# BT8507

## SYSTEM X™ TROLLEY

### FOR 55" MICROSOFT® SURFACE HUB™

The BT8507 is a mobile solution designed to mount Microsoft's 55" Surface Hub and other large interactive displays up to 65". Capable of supporting heavy duty loads, the trolley has a welcome rigidity which means mounted touchscreens do not move or flex whilst in use. Levelling screws allow easy height adjustment of the screen once mounted and integrated cable management keeps finished installations neat and tidy. Non-marking 4" braked castors allow the trolley to be re-located easily and safely without marking or scuffing floor surfaces.
