BT85 14

UNIVERSAL TWIN SCREEN VC TROLLEY FOR SCREENS UP TO 46"

The BT8514 is a premium mounting solution designed to mount two screens side by side for video conferencing applications. The Trolley is supplied with a shelf for VC cameras that can be fitted above or below the screen while integrated cable management hides cables for a smart installation in any environment. Non-marking braked castors allow the trolley to be relocated easily and safely without marking floor surfaces. Screw-in levelling feet for freestanding applications are available separately.
