BT8712

PREMIUM FREESTANDING TWIN SCREEN VC TROLLEY /STAND -2M

The BT8712 is a 2m tall, premium twin screen video conferencing stand which can be customised with optional media storage solutions. As part of B-Tech's Mode-AL brand of high-end display solutions, the BT8712 features a premium aesthetic which is perfectly suited to corporate office spaces and UC applications such as in boardrooms or conference facilities. A freestanding base allows screens to be repositioned as required and integrated cable management ensures a smart and stylish installation which is in keeping with the high-end, contemporary aesthetic.
