BT9372

BOLT DOWN UNIVERSAL DIRECT VIEW LED VIDEOWALL STAND

The BT9372 is a bolt down solution designed to assemble LED panel videowalls. As part of B-Tech's System X Range, the BT9372 is part of a universal mounting system which is compatible with various LED panels, for use in several formats; wall mounted, trolley, freestanding and bolt down. An LED configuration tool allows BT9372 requirements to be specified online and features a quote request option which means pricing can be provided quickly, orders placed can then be fulfilled with short lead times thanks to our extensive stock of off-the-shelf B-Tech components.

FEATURES

- Configurable mounting solution available to order to your requirements, from stock - see configurator for info
- Universal design suitable for a variety of LED panels and configurations
- Options for front or rear mounted panels (see below)
- Assembled from off-the-shelf components for fast order fulfilment
- Online configuration tool for quick turnaround of quotes - no more lengthy wait for bespoke pricing from custom manufacturing
- System can be extended to any required width for large installations
- Open frame allows panel access for easy servicing and maintenance
- Small footprint for an unobtrusive installation into confined areas
- Pre-assembly of major parts for quick and easy installation
- All mounting hardware included

ALTERNATE CONFIGURATIONS

There are actually over 2000 different configurations of BT9372 available! Visit our online configuration tool to specify setups of up to 6x4 with different options such as screen size, orientation and leg height.

B-Tech's online configuration tool is a quick and simple way to specify and order your LED videowall mounting solution. Simply input a few details about the panels you wish to use and how you want to install them (wall mounted, trolley etc.) and the tool will give you a part code that you can use to order with. The request a quote option will instantly notify us of your interest and allow us to quickly provide you with a quotation.
